- Ear And Throat Pain

MRP :
120.00

PACK : 20x10

BENEFITS

- ACTIVE -RAB Capsule SR contains Aceclofenac which relief of pain, inflammation, and swelling in conditions that affect joints and muscles
- ACTIVE -RAB Capsule SR contains RABEPRAZOLE which reduces the acid secretion in our stomach, thereby reducing the damage caused by the painkillers.

-: CONTACT :-

To treat the symptoms of acute diarrhoea and dysentery caused due to bacterial infections the right choice is

OFLOROS -OR

Ofloxacin 50mg ,Ornidazole 125 mg & Racecadotril 15 mg / 5ml .

OFLOROS -OR suspension WORKS VERY FAST.

- **OFLOROS -OR** suspension contains Racecadotril is an enkephalinase inhibitor that has anti-secretory effects. Simply put, this particular active ingredient reduces the secretion of water and electrolytes from the intestine. This helps reduce the amount of fluid lost from the body in diarrhea.
- **OFLOROS -OR** suspension contains Ofloxacin is an antibiotic. It kills bacteria by preventing them from reproducing and causing infection.
- **OFLOROS -OR** suspension contains Ornidazole is also an antibiotic that kills other microorganisms in addition to bacteria by damaging their DNA.

BENEFITS OF OFLOROS -OR SUSPENSION

- **OFLOROS -OR SUSPENSION** reduces the excessive secretion of water and electrolytes and helps replenish the lost fluids and salts.
- **OFLOROS -OR SUSPENSION** also helps treat loose stools and prevents abdominal distension or flatulence.
- **OFLOROS -OR SUSPENSION** helps to treat this infection by killing the infection causing parasites and relieves the symptoms like loose stools (diarrhea), stomach cramps, and stomach pain.
- **OFLOROS -OR SUSPENSION** also helps to prevent them from coming back.

PROTOROS CRUNCH Protein Powder

**OFFERS THE BELOW
BENEFITS UNLIKE OTHERS**

PACK : 200 gm.

**MRP :
400.00**

BENEFITS OF HIGH - PROTEIN

- Speeding recovery after exercise and/or injury.
- Reducing muscle loss.
- Building lean muscle.
- Helping maintain a healthy weight.
- Curbing hunger.

BENEFITS OF PUFA (POLYUNSATURATED FATTY ACIDS)

- PUFA are important for nerve function, blood clotting, brain health, and muscle strength.
- They are “essential,” meaning that the body needs them to function but cannot make them, so a person must get PUFAs from their diet

BENEFITS OF MUFA (MONOUNSATURATED FATS)

- MUFA can help reduce bad cholesterol levels in blood
- MUFA can lower your risk of heart disease and stroke.
- They also provide nutrients to help develop and maintain y our body's cells

BENEFITS OF MANGANESE

- Helps the body form connective tissue, bones, blood clotting factors,.
- It also plays a role in fat and carbohydrate metabolism, calcium absorption, and blood sugar regulation.
- Manganese is also necessary for normal brain and nerve function.

BENEFITS OF SELENIUM

- Boosting immune function,
- Improving hair and nail health,
- Supporting a healthy thyroid.

BENEFITS OF BIOTIN

- Regulates Metabolism Levels.
- Protects The Heart.
- Promotes Brain Function.
- Boost Immunity Power.
- Reduced Blood Sugar Levels and Control Diabetes.
- Helps In Pregnancy and Breastfeeding.
- Suppresses Inflammation and Alleviates Allergic Disorders: ...
- Repairs Tissues and Muscles:

BENEFITS OF PHOSPHORUS

- It is essential in the formation of bones and teeth.
- It is also needed for the body to make protein for the growth, maintenance, and repair of cells and tissues.

BENEFITS OF POTASSIUM

- Its main role in the body is to help maintain normal levels of fluid inside our cells.
- Potassium also helps muscles to contract and supports normal blood pressure.

HUNGRY BEST Syrup

Cyproheptadine 2MG +
Trichlone Citrate 275 mg /5 ML

MRP :
150.00

PACK : 200 ml.

ACTION OF HUNGRY BEST SYRUP

- **Hungry Best Syp** contains -Cyproheptadine is an appetite stimulant. It works by reducing the effect of serotonin (a chemical messenger) in the hypothalamus, a part of the brain which regulates appetite.
- **Hungry Best Syp** contains Tricholine citrate is a bile acid binding agent. It removes bile acids from the body. The liver then produces more bile acids using cholesterol, as a result, the level of cholesterol in the body is lowered.

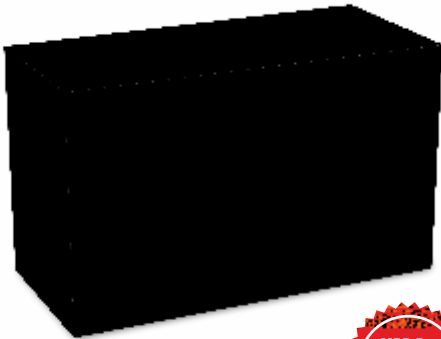

BENEFITS OF HUNGRY BEST SYRUP

- **Hungry Best Syrup** stimulates appetite by improving metabolism of the body.
- **Hungry Best Syrup** works by improving liver function which boosts your digestion process and thus makes you feel hungry.
- **Hungry Best Syrup** helps your body produce enough energy to carry out your daily work without feeling fatigue.
- **Hungry Best Syrup** helps improve the nutritional status in people who suffer from malnutrition.
- **Hungry Best Syrup** also helps in increase in weight and height naturally by improving the sleep pattern.
